

# THE SALLY GAP

Taking inspiration from the famous crossroads in the Wicklow mountains – The Sally Gap has been created as a meeting place for all. We invite you to sit back, relax, and enjoy this casual light filled contemporary social space.

Our culinary team led by Executive Chef Cormac McCreary have created a menu offering a wide range of options aiming to suit every taste & craving for adults and children alike. Our team are passionate about food provenance and always source fresh and locally, ensuring that every dish is of the highest quality.

Our beverage team have worked hand in hand to curate a wine & cocktail list that compliments the surroundings of The Sally Gap which we hope you will enjoy.
