Garden Afternoon Tea

Midnight Garden Afternoon Tea

Step into a world where shadows dance, blossoms whisper, and indulgence takes on a darker hue. Our Midnight Garden Afternoon Tea is inspired by the garden after nightfall - a place of mystery and enchantment, where familiar flavours are reimagined with a gothic twist.

This season, our inspiration reaches beyond the garden gates, drawing on the cinematic magic of **Wednesday Series 2**, filmed here on Powerscourt Estate. From the grandeur of the gardens to the power of the waterfall, Tim Burton's creation came vividly to life on our doorstep, weaving Powerscourt into the fabric of this globally loved story.

With this Afternoon Tea, we celebrate both the natural beauty of our surroundings and the thrill of welcoming such a darkly imaginative world into them. Each savoury, sweet and sip is crafted to echo the drama of the garden after dusk and the gothic elegance of Nevermore.

We invite you to linger a little longer in the shadows and discover indulgence from a new perspective.
