

POWERSCOURT

HOTEL RESORT SPA

LOSE YOURSELF

Nestled among ancient trees, within the granite walls of one of Ireland's most renowned estates, you'll find Powerscourt Hotel, Resort & Spa. Where five star luxury is a way of life. And a new tradition of Irish hospitality is being celebrated. And we do love a celebration.

And though peacefully separate from the madding crowd, you're still just 35 minutes from Dublin Airport's international hub or 25 minutes from the capital's bustling city centre, with her shopping, galleries and museums.

So close, yet so far away.

THE HEART OF THE GARDEN OF IRELAND

The Powerscourt Hotel curves in a elegant arc of Palladian grandeur towards the pyramid summit of Sugar Loaf Mountain across the valley, with the rolling landscape of County Wicklow, what's known as the Garden of Ireland, spread before it. Within it is a world that you can shape to your own needs.

YOUR HOTEL, YOUR WORLD

With over 200 graciously spacious rooms including 93 immaculate suites, the Powerscourt may be a hidden gem but it's on a grand scale of.

With a range of dining diversions available to suit all hours.

Enjoy light meals all day and afternoon tea in our comfortable Sugar Loaf Lounge. Take a cocktail there in the evening. And of course, there's a cracking bar, McGill's, with a delicious menu of casual favourites. And our Sika restaurant offers the best of Irish contemporary cooking against a spectacular backdrop of hills and mountains.

REBALANCE BODY AND SOUL

Our award-winning ESPA is world class. Swarovski crystals embroider its pool. With steam rooms, tepidariums and lifestyle showers, saunas and vitality pools as well as 22 treatment rooms and two private Spa Suites. While state of the art technology equips the Hotel's gym.

AN INVITATION TO CELEBRATE

At every turn, Powerscourt Hotel, Resort & Spa offers a special welcome for personal or corporate visitors. Our 6000 square foot (600 sqm) ballroom has its own private entrance. There's Outdoor Secret Garden, an executive boardroom and five meeting rooms. Even an atmospheric Wine Room with a particular charm.

This is no everyday hotel.

Extraordinary is our benchmark.

This is Powerscourt Hotel, Resort & Spa.
